PROFILE

I am a dedicated third-year Information and Technology undergraduate with a passion for UI/UX design. I have hands-on experience with design tools such as Figma, Adobe XD, and Sketch, coupled with a solid understanding of user-centered design principles and front-end technologies like HTML, CSS, and JavaScript. I am eager to apply my skills in creating intuitive, user-friendly interfaces and collaborating with cross-functional teams to enhance the overall user experience. Looking forward to an internship opportunity where I can contribute to impactful design projects while continuing to grow my expertise in the field.
